

2002 EQIP Scoring Worksheet - Nutrient & Pesticide Impacts on WQ

Applicant _____ Date _____

Farm Number _____ County _____

Tract Number(s) _____ Evaluator _____

Where appropriate, points can be given for multiple treatments on the same acres*Impact on Water:**

Within Public Drinking Water Supply Watershed

Possible
Points Points
Awarded

10 _____

Fields adjacent to sensitive area(s) - cropland field(s) under contract that border
1st order or larger streams or wetlands or sinkholes

10 _____

Hydrologic Soil Group for **predominant**
soil of contract acres:Hyd. Group A or D
Hyd. Group B or C

15 _____

10 _____

Planned Element's or Practices under EQIP	Ranking Points	Total Points
Pest Management -- Crop Scouting:		
Certified by an agency or professional organization	2	
Non certified	1	
Nutrient Management		
Grid soil sampling & variable rate application	2
